“ *Melinda and I would meet just about every morning around 5:45AM to start our day working at T. Rowe Price. I would never forget the card she sent me during the time I was out for surgery. She had also shared the joy she had planning her mom birthday party and was so happy that her brothers and sister was able to all come together for the special occasion. She even shared the picture book that one of her family member had beautifully put together. Melinda would truly be missed. Rest in peace my dear friend.*

“ *Melinda sang with the Arundel Singers. She was an alto with a big voice, a lot of heart, and she loved the very low notes. Melinda had a sharp wit and made us laugh, and made music suggestions which were included in our concerts. We will miss Melinda, and we send out heartfelt sympathies. Our thoughts and prayers go out to Melinda's family and friends---please know that we grieve with you at this sad and sorrowful time.*

“ I had the honor and pleasure of working with Melinda for over a decade. There was no finer soul I ever met. Melinda took pride in her work, took care of her colleagues, and took the time to remember you. We will remember her around each holiday, birthday, and each amazing moon.

“ I met Melinda in September, 1973, when we were both 1st year students at Goldey-Beacom College in Wilmington, DE. We joined the sorority, Alpha Lambda Iota, and have many memories of our pledging period. In addition to being sorority sisters, we became close friends along with our fellow "sister" Lou Ann. The 3 of us have remained friends ever since. Except for Christmas and Birthdays, Melinda crafted poems for the other greeting card days (Valentines, St. Patrick's, Easter, etc.) throughout the year instead of sending greeting cards. What a talent! I always looked forward to her poems and the words she used to make the lines rhyme. Melinda, you've touched my life in a million ways. I am going to miss you for being an amazing friend! Rest in peace. Love, Lindsay Crosby

“ *I'm so sorry to hear about Melinda's death. I worked with her for several years until I moved away from Baltimore five years ago. She was a fantastic coworker and friend - the type to keep in touch regularly to see how my family and I were doing. As far as I'm concerned, she was also the patron saint of birthdays. This will be the first year since I've known Melinda that I will not receive a rainbow colored happy birthday email from her, and I know it will be a crushing reminder that she's gone. She was truly one of a kind, and I'm really going to miss her. Jill Mourigal*
