“ Melinda so often had a smile and a laugh to share. I appreciated her faith, her sense of humor, and her willingness to pitch in to help with tasks. The photo here was taken when our non-profit group met to do envelope stuffing and newsletter assembly.

“ Melinda babysat our son, Peter, nearly 40 years ago. She also was a willing, encouraging helper with my non-profit organization, the Maryland Coalition Against Pornography, and we appreciated her help when we assembled our newsletters and readied them for mailing. Always engaging and willing to listen! She will be missed. <3
