“ My condolences and prayers to the Elliott family, It is so sad to loose a loved one, but we can find great comfort in Gods word the Bible. In John 11:11 Jesus tells us that our love ones are sleeping at this time, how comforting to know that they are not suffering. The Bible also gives us the hope of a resurrection (John 5:28-29) It is so nice to know that we will see our dead love ones again right here on the earth. The Bible also brings out the wonderful hope of never having to die (Revelation 21:3-4). If you would like more information you can contact one of Jehovah's Witnesses in your area, or look at our website JW.org. I pray these scriptures brings you the comfort you need at this time. Sincerely, Elizabeth Wall
