“ Today Dad makes 1 year since you passed! I know you held on extra long for Mom!! Once you knew Mom passed, you wanted to be with her!! Only 24 days passed than you went to be with her. I know neither of you were happy and didn't have the quality of life you both deserved! Some days it feels like just yesterday and others it feels like years. Truly since loosing mom and than you my life hasn't been the same and never will be! I pray every night that both of you are resting peacefully. No more pain in any way!! I miss you so much and please know I will keep your memory alive. When youboth passed a part of my heart went with each of you!!!! I have good memories of you and they will always be with me. Dad if there is a way or a sign you are able to send me every once in a while to let me know you are still watching over me like you did when you were here please do. I will continue to pray and talk with both of you until the end of my days 🙏 I hope that 1 day I will be fortunate to be with both of you again 💔💔😭🙏🇺🇸🕊️
