“ I believe you are in Jesus heavenly kingdom right now my nephew and you have met up with your former high school wrestling teammate Matt Eveleth and your two; four legged critters you grew up with, Ashley and Chip. I can just imagine the awesome expression on your face Melvin when you entered Heavenly Fathers Kingdom. Matt has probably taken you, Ashley and Chip to some of the amazing sights up there in heaven. We know what Jesus said when standing before Pilate" My Kingdom is no part of this world". But in the mean time down here on earth Melvin your relatives and friends will be asking God's Spirit to indwell Jenny, Coltin, and Wyatt who miss you so much. I love you my champion nephew. “ He was a beautiful baby,so beautiful that everybody complimented me on my beautiful baby girl ❤️ That was everywhere I went and then the same answer when I corrected them;they always said well he's beautiful enough to be a girl👉😊 I started dressing him in all blu, no trace of yellows, greens, but still the same😇 As you all know he likes his food ❤️😊 I had to start putting the infant cereal in his bottle before I should have just to get him to sleep a little longer.He always seemed so hungry as an infant, he needed a fuller belly, something that would last! When his stepdad first told him about wrestling he was so excited, but he was actually picturing the WWE wrestling🤼 he thought he was going to be hitting people with chairs and stuff like that!!🤼 I was so proud ofhim!!Because he was bigger he usually had to wrestle other boys that had much more experience than him. I used to think he came out looking more like a boxer than a wrestler, but I was always so proud of him because even when he lost he gave them a real run for their money!! I was so happy for him when he started taking first place a lot.For a while he seemed to make it to second all the time and was starting to crush him. I don't think it was in a champion ship match,but one time time he was winning by so much,and then he learned of the reverse cradle😳😊😊 never gave up though,he was known for his flexibility,even had the nickname Gumby.❤️👉💖💖💖🙏🙏🙏🙏🙏🙏🙏🙏
