“ *I was so sorry to hear the news of Rita's passing. She will certainly be alive in my heart and memories always. She was so thoughtful and would always bake yummy pie or cheese cake for us. Thinking of all her family.*

“ *Rita, Dotti and I have so many stories. We never gained weight as young ladies because Ms. Bunny had us walking to Herbs 10 times a day. But we didn't mine because she would pay us and we would put our coins together and get stuff we weren't supposed to get. Rita won't have to worry about Dotti driving too fast down Gravel Hill Rd. anymore while I'm saying go faster, faster, faster. Rita will be missed, it's just something special about our Gravel Hill Family, We have a special bond that distance, time or circumstances can't take away. Love you Rita, sleep on and take your rest, because you don't have to work anymore.*
