“ I am searching for additional information about Michael. He was my biological father. And links to ancestry or family tree info would be appreciated. -Andrew (pic of me; curious if there is a family resemblance)

“ Today would have been your 69th birthday! Wish we were celebrating together. Love and miss you!

“ Dear Michael... It's been a long time since we've seen each other and I had always hoped to connect one more time but... We were all so very young, and time has flown by; now you're finally back with Nancy and I'm sure she's already driving you crazy! I always wanted to give you my thankful appreciation for keeping in touch with Steve when you did... You always did have that soft side that only a few of us saw. I will always try to keep in touch with your children to see how they're doing. Marissa seems just fine, thank you, but we gotta work on that Bean! Goodbye old friend... Until we meet again. Love from Sharon

“ Dear Bean, Marissa and Alice, I am keeping all of you close in thoughts and prayers. While I never personally met Big Mike, I feel like I have known him ever since I've known Alice which is well over 40 years. I know she loved him like a brother and told me always how much he loved both of you. I am so sorry for you loss. Hugs,

“ Lord, we loved this man! Drove us half crazy at times but there was no one like him! He will be loved and remembered forever.
