Michael Angel De Leon

September 29, 1937- April 6, 2021

Michael De Leon was born Miguel Angel De Leon to parents Angelina and Jose Arturo De Leon on September 29th 1937 in Guatemala. After the passing of his mother when he was a young man, he learned the value of hard work and providing, values that he would carry with him for the rest of his life. After marrying his wife in 1957 and raising children in Guatemala, Miguel would bring his family to the United States in 1972. After years of hard work and working for others, in 1996, he would open his own business, Michael's Jewelry Repair and he no longer had to answer to anyone and could provide for his family in a manner that he saw fit. On April 6th, 2021, Michael went home with The Lord and to be with his mother.

Michael is survived by his loving wife of 63 years Esperanza De Leon, his 5 wonderful children, Minor, Iliana, Jose, Miguel, Mayra and their spouses. He is also survived by 9 grandchildren, their spouses and 9 great-grandchildren, and by his brother Fausto Sagastume and his sister Aura Sandoval and their families. Lastly, he is survived by a wonderful legacy of servicing a community for 25 years.

“ I knew Michael De Leon through his granddaughter Melissa. What I witnessed was a devoted family man who not only provided for the family but raised them with love and wisdom. The man he was set the benchmark for others. He will be missed but the people he raised will be his presence here. God Bless
