“ *May peace find you Mike, I know you will miss your babies, but you will now be with Robin who you missed so much and didn't know how to live without. Glad we put our differences aside and became good friends again. Watch over Amber and Dakota.*

“ *It was sad to hear of Michael's passing, May he rest in Jesus's arms and be at peace, no pain, totally healed. God bless all the family. May you have the hope that comes with knowing Jesus as Lord and Savior.*
