

## Michael Todd McFadden

August 30, 1964 - May 7, 2024

Michael Todd McFadden, 59, of Glen Burnie, tragically and unexpectedly passed away on May 7, 2024 while working in Essex.

Michael is survived by his wife of 24 years, Cheryl, his daughter Heather McFadden of Glen Burnie, his stepchildren Shaun and Carla Bonds of Stevensville, and Shannon Scally of Pasadena, his grandchildren Anthony and Brayden Neff of Glen Burnie, Aiden Bonds of Stevensville, and Bianca and Sophia Scally of Pasadena, his siblings Roberta and Robert McFadden of Baltimore, and his nieces and nephews.

He is preceded in death by his father, Robert McFadden, his mother, Sheila McFadden, and his sister Sandy Gibson.

Michael was born in Baltimore on August 30, 1964 to Robert and Sheila McFadden. After high school, he started working in the Heating and Air Conditioning (HVAC) field. He would move up the ranks in the industry, starting at the front counter, then eventually becoming a technician and trainer. Michael was in the industry for 41 years and became very respectable and well-known throughout the HVAC community.

Michael was a devoted husband, father, stepfather, and grandfather. He enjoyed spending time with family, fishing, boating, watching the Baltimore Ravens and Baltimore Orioles, as well as making trips to his favorite place, Ocean City, MD. Michael was a loving and hardworking man who would take care of others before taking care of himself.

Michael's departure comes as a great shock and a deep wound, and it is gravely felt by his entire family and countless others who loved him deeply. The family deeply appreciates your support during this difficult time and asks that you make contributions for our memorial fund in lieu of flowers at the GoFundMe link below in the Memorial Contributions.

We will be having a celebration of life gathering in the summer and we will notify all friends and family.

“ This was such a tragedy to have lost my big brother in the manner the we did. I just have no words that can express how deeply painful this loss is. Michael was my big brother, my protector and my friend. Every year for his birthday Aug 30th you'd go to Ocean City MD, for a week or more and just spend time together. Robert and Sandy always ran together and Mike and our families would always do things together. Most of my favorite memories are in OC just living up, grabbing fries and a ice cold beer 🍺 frosted mug of course from The Cork Bar and toast to mom and dad. We'd always over shoot the mark and hang till almost last call. Another fantastic opportunity I had with Mike and Cheryl was last year on his birthday him and his wife joined me and my family Myrtle Beach for an amazing vacation. We celebrated his 59th birthday, we swam, we are, he drank lol and we enjoyed each other's company. I am so blessed to have had that extra little bit of time with just me and him in the morning sitting on the deck. He taught my grandchildren all 4 boys how to drive the pontoon boat and they absolutely loved it. They are memories those boys will never forget and neither will I. May you Rest In Peace until we meet again. I love you forever. I can't believe your no longer here with me, but I know we'll be together in eternity with our Heavenly Father. In the name of the Father, The Sun and The Holy Spirit. Amen 🙏 As mean as Robert is I know he loves you too. If he could he'd write a memory of his own. But he told me you took a ass whipping for him by a bigger teen in the neighborhood I won't meantion any names but Robert with all he's memory loss and ALS still renters that. And all the great times we had growing up on the boat, fishing and swimming probably smoking cigarettes and sneaking beers 🍺 love you bro !\nLove, Your Sissy\nBobbie 💔

“ *Mike, words can't describe the pain I feel knowing that you are no longer here. You came into my life when I was 9 years old and was always there for me, even as an adult. You never treated it me like a stepchild, but like your own son. You were also always there for your grandson and tried to attend all his baseball games if you could. We are debated by your passing but take solitude in knowing that we will see you again someday. I'll do my best to take care of mom down here, but I know you're watching from above. Rest and peace and we love and miss you so much. See you on the other side...Shaun.*

“ I knew Mike when he first Started at US&D. He waited on me many times. Later he was my tech support at Ferguson. Very sad news that he has passed. He was a brother in HVAC may he rest in peace. He provided Comfort to many over the years! \n\nThis Poem always brought me Comfort during this time! \nI am standing on the seashore. A ship at my side spreads her white sails to the morning breeze and starts for the blue ocean. She is an object of beauty and strength and I stand and watch her until at length she hangs like a speck of white cloud just where the sea and sky come down to mingle with each other.\n\nThen someone at my side says: \n\nThere! She's gone.\n\nGone where? Gone from my sight that is all. She is just as large in mast and hull and spar as she was when she left my side, and just as able to bear her load of living freight to the place of destination.\n\nHer diminished size is in me, not in her; and just at the moment when someone at my side says: \n\nThere! She's gone,\n\nthere are others watching her coming, and voices ready to take up the glad shout \n\nThere she comes!\n\n\nAnd that is dying

“ Cheryl, I hope you and your family are as well as can be. It was very unfortunate to hear about what happened to Mike. He truly took pride in what he did and that was evident in how he was the first time I met him. He was a great friend to all of us especially how he represented T-Stats and Ruud. We lost a great advocate and friend. He will be greatly missed! With sincere sympathy,\n\nDenis Bauerle,  
Dennis Tisch, Lou Vannicolo, Doug Bates and the entire Ruud family.

“ Cheryl, Mike has been a dear friend to me for 20 some years, and I am not sure I have ever met anyone with a bigger heart. I'm sure I speak for all of us who have worked with him when I say he is leaving a huge hole in all of our hearts. He will be so dearly missed. I'm so glad I was able to give him a hug and watch him win his awards recently. God Bless Mike and please give his family strength.
