“ *I will always miss you Mike. We walked this path of life together not always side by side but we always knew we had each other. My world dramatically changed on 9/17/15 I've never felt this type of pain in my heart and soul. I would like the world to know you always stride to be a better person. You always pushed forward and never gave up. I will never forget you my brother.*

“ *As kids Mike was like a big brother to me. He would be over protective if anyone would pick on me, and then turn around and pull my pigtails, the true sign of family love. You will be missed dearly cousin.*

“ So very sorry to read of the accident and loss of your Michael. Jesus well knew the Bible statement:\ " Time and unforeseen occurrence befall them Ecclesiastes 9:11]. He knew that sometimes bad things just happen. The Bible teaches us about the wonderful future resurrection hope found at John 5:28,29. Revelation 21:3,4 states that in the future ' death will be no more. and pain will be no more, the former things will have passed away.' Our Creator God, by means of his son Jesus, is going to undo the tragedies that touch our lives today and we will be able to welcome back onto the paradise earth,our loved ones who have fallen asleep in death. sincerely dianne mullins
