“ *I've been going over and over and over what I want to say to you but nothing sounds right. Frankly I just miss you. And I am disappointed in myself. I wish I was there for you more. I wish I reached out. I wish we didn't grow apart. I wish you never left us. The day I found out, my heart sank. It hurt me so deeply because the world lost one of its brightest flames, one of its boldest colors, and one of the most beautiful souls. I miss you. And I wish things were different. I love you darlin. 💕💕*

“ *Hey best friend.. Not a day goes by that I don't miss you. Gone entirely too soon. I remember all the good times we had. Growing up as thick as thieves. We made some mistakes, but I wouldn't trade a moment of anything because it was with you. My dearest friend, like a brother to me. Me & the kids will always love you. Counting the days until we meet again. Love Always xx*
