“ Mike left this earth much too soon and was such a good man with a beautiful smile - he had a heart so big and would do anything for anyone. He really made a difference to a lot of people. He was an excellent employee and will be missed each and everyday. Rest easy my friend and see you one day on the other side. Your family at Big Boys Rigging Service.

“ I didn't have the privilege to know this young man. But I know his mama. And that tells me that he's one of the best. Nancy, my heart hurts for you and your family. He's in God's hands now. Take refuge in that. Peace be with you my friend.
