“ Mike was my best, if not only true, friend. He had a positive spirit and a kind heart. I met Mike at the Harper's Ferry Flea market in 2012. We hit it off right from the start. We were comrades, fellow travelers and buddies. I got to know Mike, his mother, Momma Jenny and that little furball, Sophie well over the last six years. They would have done anything in their power to help others and me. That is rare. I have not been able to process this loss. I have failed his mother when she needed me most. I was frozen in refusal. I am sorry for that. I loved Mike and I will never forget him. Rest easy, my friend.
