“ Awe Micky!!! I have so many wonderful happy memories of you. We had so much fun and happy times everytime we got together. No matter what was going on in our lives we always could make each other laugh, even Donald my husband always made you laugh his crazy ass, as you called him. I love you so much and I will keep that promise I made to you. I know you will always be watching over your son. You are and will always be his guardian angel. I will continue to keep your entire family in my prayers everyday, especially that beautiful son of yours. Til I see you again my Beautiful friend. Love you always. Allyson aka Al is what you called me. Evertime I think of you I see those big blue eyes and that beautiful smile. We laughed together and cried together. You will never be forgotten sweet angel. Love you Mick.
