“ After MUCH MUCH thought....I feel compelled to share some "truths" with those that have posted their condolences for Mindy. With a great deal of sadness for all concerned...most especially My Father....Mindys Father I feel ALL should know truths and maybe hereafter will help all be more diligent before putting so much faith in someone. I have been Mindys adopted Brother for more that 50 years.....and sadly I must say that the ENTIRE TIME of those years....Mindy has been proven OVER AND OVER nothing short of a "CON ARTIST"!! She scammed Me personally out of 15K...yes...15 THOUSAND DOLLARS back in 1995....and did the same to Her Father at the same time for 5 Thousand in some scheme that She made up. One of You posted in Your "Condolance" how much Mindy Loved Her Father....the same Father that only recently She lied to saying that She needed dental implants and Our Father sent Her \$6,500.....the dental implants were never done. Another fact of Mindys "web of lies" was that She was "deeply in Love" with 3...yes 3...different women? Two of those women have sent Her not only plane tickets to arrive at the same time in Texas....but also have sent Mindy THOUSANDS OF DOLLARS during the course of time. I spoke to Mindy the Saturday that She died...She told Me that She was working late at Her Job and would get back with Me the next day. I called Her Employer and come to find out....Mindy has NOT EVEN BEEN EMPLOYED THERE SINCE THE FIRST WEEK IN PAST DECEMBER!!! I could go on and on about YEARS AND YEARS of LIES AND LIES that Mindy has demonstrated....but...for what good? I realize that Mindy has suffered substance abuse since early back when She first got out of High School. Many People have tried to offer Her help....including Myself....but...She ALWAYS DENIED HAVING A PROBLEM. It gives Me no satisfaction writing these words....other than maybe one of Y'all that thought so much of Her might....in the future....do a bit more research on who You choose as Friends. At the moment....I feel no sadness that Mindy has passed...only a feeling of being USED AS A STEPPING STONE IN HER JOURNEY OF SELF SATISFACTION!!!! Should any reading this wish to contact Me....feel free....Ron...940-866-8781....be glad to share My

thoughts.

“ *Every time Mindy & I talked on the phone is was like time had never passed... We were roomates in Seagoville , Tx & I will always cherish those Laughter, Fun filled Days. I know I lost a piece of my heart hearing this news...I can still here her laughter & her saying \"That sweet southern voice of yours made my day\". She IS one of a kind, The Thelma to my Louise, the peanut butter to my jelly & A TRUE friend...I will miss you doll...Make those angels laugh in heaven... T*

“ *I miss Mindy VERY much - she was a VERY dear friend - she was very caring and thoughtful, a great listener, big sensitive heart, loved kids. She was fierce, devoted & hard working at her job. Mindy was a great home maker, loved to cook. Oh she had a heavy foot - was a fast driver! And she had a very quiet patient stubbornness to her, too! She had a great sense of humor with a wonderful twinkle in her eye - I could only imagine what was going on in her head behind that smile! She was a home body - enjoyed the quietness of being at home - reading, history things, watching the old black & white movies and loved playing pool with friends when the opportunity arose. Mindy so loved tulips, and she loved sun shine warming her. She always spoke fondly of her family, especially her dad, sister and nephews whom she was fiercely proud of! It was clear that she loved her family and close friends VERY much. My heart goes out to them- to you, in your loss, and to you, Diane, her dear friend. I'm so glad that she had you all and your love & friendship in her life. It wasn't time for Mindy to go - she had a lot of love and life to share. I will miss her friendship.*

“Time is slow for those who wait, too swift for those who fear, too long for those who grieve, too short for those who rejoice, but for those who love, time is eternity”. Mindy my companion and friend, you will always be in my heart and in our humble home. You had a kind & generous spirit and a smile for everyone. May you rest peacefully. Say hello to Steve, Maureen & Jeanne for me. Oh, and Bette too.
