“ *Monica, I am so hurt over the loss of you. I have so many fond memories of you, mostly from our stay in CCDC. I remember you crying your eyes out over your daughter Haley. I know you loved her with all your heart and soul. You are now up there with my son, so you keep an eye on him and I pray her does the same for you. I will miss that gorgeous smile, all the laughs we had and everything about you. I just saw your mom passed away a month before you. Although that is very sad, I'm glad you had your mommy to hold your hand when you went thru those pearly gates. You were and always will be A very special person to me. You got me thru some very hard times although you were going thru it yourself. What I would give to see you just one more time and give you a hug and tell you how much I love you. God bless you Monica! Fly High Baby Girl! I love you with all my heart and soul. Forever in my heart, Tonia*

“ Monica, you were so full of joy and happiness, your smile made everyone fell happy. If only you were with us today. You missed your baby so so much, and cried when they wouldn't let you see her. You only wanted them to live you babe, now you are in Gods are living arms. I say a prayer each night for you, and will always remember that living kind girl. Miss you so much. God bless you.
