“ I just looked at a stunning picture of Nancy as Homecoming Princess of our high school while I was packing things up to move into my new home. Then today a former Olney resident who resides in NY sent me the message that Nancy passed away. My condolences are with her family, especially Janet. Many Pallotti classmates are thinking of her and her family also. XOXO Cathy

“ My sincerest sympathies to the family. I went to St Peters Catholic School with Nancy. Haven't seen her since but always thought of her. I had tried to locate her recently as one of her best friends at St Peters was dying and wanted to reunite them. Im sure they are together now remembering many good times. She as bright spirit and full of life. RIP
