August 9, 1990 - March 13, 2025

In Loving Memory of Natasha Audrey Maria Shaut  
August 9, 1990 – March 13, 2025

With profound deep sorrow and love, we remember and celebrate the life of Natasha Audrey Maria Shaut, who passed away on March 13, 2025, at the age of 34.

A radiant soul who lit up every room she entered, Natasha left an unforgettable mark on everyone fortunate enough to know her.

Born on August 9, 1990, Natasha grew up with a spirit full of fire and a smile that could light up the darkest day. She cherished vacations at VA Beach and Ocean City, where she created some of her fondest memories — days filled with great food, sun, laughter, and love. Natasha enjoyed watching movies, listening to music and had an enthusiastic passion for writing.

Natasha was immensely proud of her time working at Kate Spade at the National Harbor, a career she poured her heart into. Her role there brought her pride and purpose.

A loyal and passionate fan of the Washington Commanders, Natasha's dedication to her team was unwavering. Game days were sacred — filled with

cheering, friends, and her ever-hopeful heart that believed in every comeback.

Natasha's greatest joy was the companionship of her beloved dog, Nessa. Their adventures together were countless, their love limitless.

Natasha's journey now brings her to a peaceful reunion with her beloved mother, Sweetlana, who passed in 2001. The love between mother and daughter transcended time, and we find comfort in knowing they are together again, sharing an eternal embrace.

Her spirit, laughter, and love will never be forgotten.

Always and forever in our hearts... ♥

Memorial Service: Saturday, April 26. 12PM- 1201 S. Ross Street. 22204 (ROOFTOP)

A gathering and reception will follow. All who loved Natasha are welcome.

“ I knew Natasha for a short time. She was a kind soul with a lot of love in her heart. Her late mother and her dog Nessa were so near and dear to her. I'll always remember our time together fondly and hope that she knew peace in the end. "Don't let's ask for the moon, we have the stars.”
