“ There aren't words. Nathan you already know. My heart is heavy right now. I don't know how to feel. We went through so much. Too much to share. I'm grateful for the years I was your girl and the friendship we shared. Wow, there is definitely a numbness knowing your not in this world. You'll always have that part of my soul we shared. So many good moments to remember. I'll never forget those eyes and that laugh. Geezzz so many memories flooding back. Your forever going to be missed. <3

“ My heart is heavy hearing of Nathan's passing. He spent quite a bit of time at my house during high-school years. He was funny, goofy, and stubborn at the same time. I pray you are at peace son.
