

Nick Donald Bagley

August 29, 1943 - September 7, 2024

In loving memory of Nick Donald Bagley.

This beautiful soul was born on August 29, 1943 to a wonderful couple by the name of Nick Bagley Senior and Geraldine Bryant Bagley. Nick was one of five children, four of which greeted him and the name of God.

His family called him the traveler; he loved to go from state to state to see which each state had to offer. He finally settled down in the early 2000 with a woman by the name of Sura Matthews. He quickly developed a relationship with her and her family. Even with Miss Matthew being paralyzed from the neck down, he never left her side. They joked, they laughed, they watched movies, stayed up talking trash to each other, but they love each other. He always put her first in everything that he did. He always made sure that he showed her what she meant to him. He will truly be missed by all those that knew him.

He is survived by a sister Margo Brown, one son Trevor Bagley, one daughter Yvonne Bagley, two step-sons Gregory Halford and Brian Halford, and an amazing step-daughter who took care everything and everyone, Stephanie

Wilson.

Message to my dad: Thank you for loving me like I was your own, watch over us big guy until we meet again - Stephanie Wilson
