

## Noah Blackstone

March 16, 2005 - October 12, 2025

It is with a heavy heart that we announce the passing of Noah Tabor Blackstone on October 12, 2025 as a result of a motorcycle accident.

Noah was born March 16, 2005, to Rodney L. Blackstone, Sr., (deceased) and Angela Wurtzer Blackstone. He is survived by his brother Rodney Jr., (Jasmine and nephew Rodney, III), and sisters EmmaLea and Shakeenah Blackstone (nephews Sebastian and Elliott Richards), also his grandmother Dianne Tabor.

Noah graduated Old Mill High School in 2023. He graduated Lincoln Tech in 2024 as an electrician. Noah began employment as a pipe fitter with local 602 in 2025. He found a work home that provided support, camaraderie and a bright future.

Noah loved fishing with his siblings, eating crabs with his mom and gammy, and playing video games with friends online.

Noah's true passion was biking, whether bicycle, dirt bikes or motorcycles. He would take them apart and put them back together. If he didn't know how to do something DIY videos were his goto. He was a loving young man with a big heart willing to help wherever needed. He will truly be missed by many.

There will be a Celebration of Life on Saturday, November 15, 2025, at 1pm at The Gathering Faith Community U.M.C. location at 1320 Dorsey Road, Hanover, MD 21076.

“ Noah was always the most funniest and one of the best human beings I have ever met, first time I met him in freshman year our friendship took off from there. We always talked about dirtbikes and riding in general and it was something that always took interest in our lives. It's sad to know he is no longer here with us but I know he is always looking down, couldn't thank him enough for the good laughs, talks and conversations. Will forever be apart of my life forever. Love you Noah 🙏❤️

“ Noah will always hold a special place in my heart. The love I had for him was real. He was such a big part of my life. We shared two cats together, Sushi and Miso, and so many beautiful memories. He loved riding, seafood boils, and sushi, and he had the biggest heart for animals and the people around him. He was so dedicated to his job and proud of the work he did, always sending me videos and stories from his day. He even took me on my first vacation, something I'll never forget. Noah's determination, kindness, and the love we shared will stay with me forever.

“ Noah was a sweet soul. He was kind and caring. Everyone loved him, and he was the first to help anyone. This is such a tragedy that he is no longer with us. He was the truly the best uncle to my baby boy, Roman, in so many ways. He would stop whatever he was doing to play with Roman. Whether it was baseball, throwing the football, or playing video games together. He always was teaching Roman. We enjoyed watching Noah ride his dirtbike, with our family and friend group. He was a very skilled rider. I loved when it was my turn to ride passenger, and Roman loved watching Noah wheelie. When Roman got his first dirtbike, Noah and Rodney were there to teach Roman. He was the perfect person to learn from. Roman cherishes his memories with Noah, as do I. We will miss him forever. His memory will never fade. We love you so much Noah. I can't wait until we all meet again. Rest in Paradise sweet boy.

“ Noah was such a sweet soul. It is such a tragedy that he is no longer here with us. He was truly the best uncle, to my son Roman, in so many ways. He would always stop what he was doing to play with Roman. Whether it was baseball, throwing the football, or playing video games together. Roman adored him and his uncle Rodney too. We loved watching him ride dirtbikes with our family and friend group. When Roman got his first dirtbike, Noah & Rodney were sure to teach him how to ride. Roman cherishes his memories with Uncle Noah. I do too. Noah didn't deserve this. We will forever keep his memory alive. We love you so much Noah. I can't wait until we all meet again. Rest in Paradise sweet boy.

“ Noah also loved cats. He had 2 Siamese cats from kittens. He first bonded with Emma's kitten Juno. When Juno would escape outside I would call Noah to catch the cat and Juno always came right to him. She loved Noah. We all do.

“ Noah was the man to me. We grew up playing baseball and he was one of my best friends at that time. We ended up going to different high schools but from a young age I could always tell he was different - kind, funny, sharp. Very very sad to see this, bless you Noah and your family.
