

## Otis Conrad Baker

May 18, 1950 - March 15, 2024

Otis C. Baker, 74, of Chicago, Illinois went from labor to reward on March 15th, 2024. He was battling an infection. It was a tragic loss as he strived each day to fight back as best he could. The family grieves but we have found solace in knowing that he isn't suffering anymore.

Otis was born on May 19, 1950, to Dora Johnson in Chicago, Illinois. He was raised with his siblings in a heart-warming home. Otis was a man comprised of many talents. A treasure collector that had a careful eye for unique items like classic coins and antique items. He worked feverishly as a manager and was always held in high regard. His motto: "If you're going to do something, might as well do it right."

He had a big heart and cared about the well-being of his community. Performed numerous community service functions and contributed endless support. Feeding the less fortunate and giving clothes to those in need. He ultimately joined Prince Hall freemasonry and it deepened his network of support. A proud Noble of Mut'im Temple No. 240 & Brother of Midland Lodge No. 238. With this dedication, he fulfilled one of his greatest accomplishments by opening a youth center for the children of Quantico, VA.

Some of his other passions include cooking/tasting a variety of culinary dishes, traveling, and most importantly, rooting for his Chicago Bears. He is survived by his supportive lifetime partner, Alice Toner and his intrepid son, Devin Hill. He will always be remembered for his glowing smile and upbeat attitude.

Services will be held at Prince Hall Lodge No. 61. 3418 Shannon Park Dr, Fredericksburg, VA 22408 on April 10th at 11am
