“ Was a pleasure working with Pat over the years. He was always there for me when I had questions. He really loved those Alpha Romeos. RIP buddy. Keep that cell service going strong in heaven.

“ My deepest & heartfelt condolences. P (Pee Man, Pat, Pasquale-- always Pasquale to me) For the past 30 years when, I see an Alpha Romeo I always think of you. Always will. From The Rev (and catching me as I literally fell out the door and down the steps) to Signal to reconnecting on Facebook, to you kindly and with sincere love coming to my own mother's funeral--your big heart and artist's soul shined bright. I am so sad that your light has been dimmed (but never out). Until we meet again. Sandy
