“ Patty lived across the street from us on Georgetown Rd. We have fond memories of her and her mom, Ms Elaine. Well not always of Ms Elaine, she did not have much patience for all of the Knott kids! Patty was sweet and kind and always shared her Barbies with me. It has been a long time since we connected but the memories will always last. Our deepest sympathies go out to her sons and Grandchildren and her family. Pam Knott Brewer

“ Ms. Pat was one of my patients at St.Agnes Cancer Center. She was always a pleasure to see and talk with. I remember her very last treatment day on her first round of chemo. Shes one of them patients you never forget as a nurse. Her spirit was always so bright and she was always so full of hope. She's also the only patient who's ever gifted me wine. We both got a kick out of that. It was always a good day when Ms. Pat came to see us. My prayers are with her family and friends during this hard time.

“ She's been a big part of our family since the day my daughter was born. One of my closest friends. Who was always there with me to celebrate my daughter's graduation and there for me threw out my cancer battle. She will be greatly missed by me and my family

“ Our Mom was bright light in this world and the world is dimmer without her. She wore many hats but I think her best hat was Mom-Mom.
