“ My sister was an intelligent, good and loving person. I always enjoyed my communications with her. I will miss those logical conversations, she always made sense and was very understanding. I'm sure she is in heaven and pain free. Love you Pat.

“ *Cousin Pat and I talked many times about the family and about our shared faith in Christ Jesus. My prayer is simple.. I hope that everyone who reads this might understand that while Pat may have departed this life she is not lost. For Jesus said this: John 11:25 For he that believes in me, though he were dead, yet shall he live. I will see my cousin Pat again, in a perfected body, never to be parted again. To Almighty God be all the Glory.*
