“ *To my dear sister Pat. I thank God for allowing our paths to cross. I love the times we spent together serving our Lord and just laughing and having a good time. You were a testimony to all the Lord brought you through. I pray that your family will feel the love of Jesus as He can fill the void they feel. We'll see you soon in Glory...in God's timing!*

“ I'm blessed to call Pat my friend. Pat visited me and provided support, wisdom and advice when I went through my journey. The last time Pat and I spoke she was worried about the Coronavirus but mostly about her Latonia. She was so glad you were in Bethesda and not far from home. Pat will truly be missed. May memories of Pat and the love of family surround you and give you strength in the days ahead. Love, Thelma Davis
