“ *I've known Patty since she was very young and getting on us older kids nerves. She could always make us laugh though and we became close. As adults we grew apart some but I always loved her and I always will. Rest easy Patty, you deserve it. Until we meet again my friend.*

“ Hey Mom just stopping by to tell you I miss you terribly ! I wanted to say thank you for accepting me and the boys from the very beginning! I will miss our crazy conversations and phone calls. And definitely will miss all our gossip sessions lol. 🌻 Thank you for being there for me and the boys since I met you. I remember when I first met you lord we sat there and talked for hours and laughed so much. That's one thing I loved about you, you definitely knew how to make someone laugh when they didn't want to. It was a pleasure to know you the 9 years I have been with your son and in the family. You had a big impact in my life and the boys lives. You was an amazing soul. And will definitely be missed 🧡 Rest in Heaven Mom - I'm so glad you are with the Lord and at peace . Please look over everyone we miss you terribly. Love Always , Your Daughter In Law Nicki 🌻
