“ *My dear sister Pat, I remember the many times I was \"assigned\" to walk you down to Paca Street to spend time with your Friend. We had nice little chats along the way. A beautiful sister with a great smile and laughter. You are truly missed*

“ *Aunt Pat— you are truly missed... two of the biggest memories of u was first you recorded me singing 'Delta Dawn' and I was awful but you made me think I was amazing... the next was money was so tight and I wanted a kite and u took time to help me make one from newspaper and construction paper.. then you trusted me to watch your babies during the summer.. we had such good times and I love you! Til we meet again sweet girl! Love you -lil Paula*
