“ In the last couple years I really got to know and talk with my aunt Patty. She was a very funny lady and loved to aggravate my father Robert Crow Sr as much as he loved aggravate her. Now they are in heaven together and guaranteed back to aggravating each other on a daily basis. Love and miss you bunches. Both gone to soon from earth but never gone from our hearts.

“ Patricia was a very special person. She was very kind to all she met, she loved her family with all her heart. She was never more beautiful than when she was laughing. I'll never forget the fun we had with her in Ocean City Maryland on a Girl's Weekend trip. It still is on of the highlights of my life! Pat was a good woman and she will be missed dearly by everyone who knew her. There is no doubt in my mind she is now in Heaven with all her loved ones. Rest In Peace Pat, until we all meet again. I'll try to remember to bring some squirt guns!!

“ *My best memories as a teen were the nights I spent with Kelly and her mom. Patricia always made me feel like I was at home and she was like a mom to me, always encouraging me to finish school. I will miss her so much...love you Mom...* ”
