“ I was very saddened to learn of Paul's death. He was one of my favorite students at Curley High School. May he rest in peace and may his family and friends find comfort in his memory.

“ Dear Mr. John, John, Trisha: so very sad to hear of Paul's passing. Growing up together as we did on Jasmine Rd, I knew his generous, kind heart, and his fun-loving spirit. Together with his wife, nieces and nephews, you all have my deepest sympathy. I pray the Spirit of Jesus will comfort you, as will all of your fond memories of better times.

“ Paul, I will miss you greatly. We have shared a lot, some good, some not so good, but we were there for each other when it counted. Until we meet again. Keep the beer cold. Rest in peace my brother.

“ SO many memories I could share.... From the Softball days starting way back in the mid-1980s... Many fun times at Botteons, Railway Inn, Phillips Inn, North Point Inn... Bull Roasts, Softball parties, cookouts, Orioles games, concerts, card games... Paul and I took a fantastic road trip to the Baseball Hall of Fame in Cooperstown back around 1990.. We talked about doing it again, along with a side-trip to the Rock and Roll Hall of Fame, and then to the NFL Hall of Fame too, if he was well enough...Wish we could've done it... I can remember him telling me how happy he was when he met Mary Ann.. While I didn't see him often the last couple of years, I could always count on a message or phone call around the holidays, and random times when either of us wanted to catch up... I'm sure I speak for so many friends that we'll surely miss Paul, with his big personality, great sense of humor, with always a smile on his face.. My deepest, heartfelt sympathy goes out to Mary Ann, John, John, Trish, and all the rest of Paul's family. Rest in Peace, Big Guy....Hope you're enjoying a nice cold beer or 2 -- when my day comes, I'll look forward to having a couple with you!
