

Paul Charles Snyderman

July 14, 1959 - August 14, 2023

Paul Charles Snyderman, 64 of Baltimore MD, passed away on August 14, 2023, at John's Hopkins Hospital.

Paul fondly, known as "Moke," was born on July 14, 1959, in Takoma Park, MD

He attended Parkdale High School in Riverdale. MD. After graduating, he went on to work at Karon Masonry as a Mason, where he retired after 40 years.

Moke met the love of his life, Robin Whitaker Collett. They lived a life full of love, highs, and lows but always by each others side for 25 years.

Moke enjoyed playing Bingo, boating, fishing, and riding his Harley. As a child

he had fond memories of vacationing at the beach in Wild Wood, NJ. He later loved taking his own family for summer trips. Stories told how he would spend every dollar in his pocket at the Arcades on the Boardwalk just to win that one little stuffed animal for the grandkids.

If you knew Moke, you knew he loved sitting down eating crabs with family and friends. Or the times he would play Santa at the families' Christmas Eve parties. MOST of all his greatest joy was spoiling his 3 grandchildren.

Moke was predeceased by his parents, Charles and Maybelle Snyderman, and Sister Lorraine Kincaid.

He is survived by his beloved wife Robin Snyderman of Baltimore, MD; Children Jesse Collett of Justin, TX, Brandy (Charles) Shipley of Halethorpe, MD; 3 Grandchildren, Anthony, Nevaeh, and Christian. Sister-n-Law Susan (Duane) Bishop of Selbyville, DE. Nieces and Nephews.

Moke is remembered as a devoted loving husband, father, and Pop Pop, making sure his family were always taken care of. He will be dearly missed.

“ I'm not really sure I'm ready for this just yet but I'm going to try. When I think about Moke I can't help but always visualize and hear his smile and laugh! He was definitely still such a big kid at heart that really shown itself with Anthony, Nevaeh, and Christian. My first memory is definitely my cousin Carla calling him \"Mocha Cappuccino\" growing up, lol. I could honestly fill this entire book I'm sure. Moke without hesitation took on the dad role from the very beginning! He was always there NO MATTER WHAT! He NEVER missed a beat, showed up for everything big or small. Weather he agreed or weather he didn't. Gosh, so many birthdays, holidays, CHRISTMAS was huge to him from the very first to our last! Graduation, Labors, he was there right at my side. Unfortunately Christian was a COVID baby so he wasn't able to be present for that delivery but he would have been hands down if permitted. Moke was always supportive even in the toughest of times. He was right there with Mom threw the chaos of my hardships and to cheer me on in my come up! Lol I think he'd only yelled at me once in the 25 years him and Mom were together! Moke ALWAYS gave the benefit of the doubt and gave anyone a chance! As long as you did right by him he'd ALWAYS be there for you. His love was very genuine, unconditional, and had no limits. I've had so many friends threw the years that would contest to that asBut well as each of the children's father's. He was also always willing to give a second chance and a helping hand! Lol, as I said I could go on and on. I could fill a chapter book all about Moke! Easy, hands down! His family was his everything. I'm so thankful I was able to give him the most precious and adored gift ever which was his grandkids! They were the light of his life! Honestly that'd definitely fill a chapter in itself! I don't know who adored who more him toward the kids or the kids toward their Pop Pop. It saddens me Christian wasn't able to have much time but even at just 3 years old he knew his Pop Pop and loves him very much! Thankfully between Anthony and Nevaeh they will have so much love and memories to share w him that he may not remember as he grows up but who knows this kids memory blows me away! At the end of the day I hope and pray Moke really knew just how loved he was by so so many! Even people he'd only met

once or twice he impacted in such a kind and loving manor. As much as he will be missed we all know he's in his glory to be sitting side by side with his baby girl Yoo-hoo! We love you Dad!

“ *Oh we have so many fond memories of Mokee 😊❤️\nLike the long hot days that he and Duane spent building our patio. Duane would say, Moke, your the Boss and I'm just your laborer. They both worked hard and the patio and walls turned out beautifully.\n\nOr when Moke took the 4 of us out on the boat, I believe to see Fireworks. But we all had a big laugh as Moke was pulling off the dock, Duane half on and half off the boat, he went in, but made sure to save the six pack from going in the water! Was a site to see 🍻\n\nI feel the dearest memory was the times Moke was Santa 🎅 for all the Grandkids during our Christmas Eve parties. Bringing in his big bag of presents for all 🎄 Then enduring each and every one of us sitting on his lap, getting our picture with Santa 📸\n\nI could go on....Moke will be missed! May he now Rest In Peace 🙏🕊*
