

## Paula Lynn Lennox

June 14, 1949 - July 15, 2024

Paula Lynn Lennox, 75, of Glen Burnie, MD, passed away peacefully on July 15, 2024. Those closest to here referred to her as Bunnie.

Bunnie was born on June 14, 1949 to Harold and Rachel Hanssen, Baltimore, MD. Bunnie was among 13 siblings. From an early age, Bunnie was always a "giver" putting her loved ones needs before her own.

Bunnie spent the majority of her career working in Healthcare Administration, where she retired 10 years ago. She was very accomplished in the field.

Bunnie was a real animal lover and spent all of her time with the family pets. There wasn't an animal that didn't take to her good nature. She also enjoyed crocheting, making gifts for the family and reality shows.

Bunnie is survived by her only child, her daughter, Paula L Lennox, son in law, Tim Lennox, her loving grandchildren, Amber M Conway, Lindsay M Conway, Matthew T Lennox and Breanna N Chaffman; her dear brother, James R Hanssen, along with brothers, Bob and George Hanssen and sisters, Barbara

Michael and Nancy Fobare and many nieces and nephews.

Bunnie leaves behind her strength and wisdom, she was the strongest woman we know. She will forever be our hero!

"Love is patient and kind, love is not jealous or boastful; it is not arrogant or rude. Love does not insist on its own way; it is not irritable or resentful; it does not rejoice at wrong, but rejoices in the right. Love bears all things, believes all things, hopes all things, endures all things." (1 Corinthians 13:4-7)

“Bunny, There are not enough words to express the impact that you had on not only my life but the lives of everyone that got to know you. The relationship that we had is something that I will cherish throughout my entire life and your light will continue to shine through me because I am who I am today because of you. Ever since the day I was born, there was never a moment that you were not there. You were right beside me through everything in life, good or bad and I knew I could always count on you. Your constant guidance, support and love made it possible to get through anything. You were selfless and would do anything in your power to make sure the ones you loved were happy. Not only were you the best grandmother but you will always be my best friend. You always told me I was the strongest girl that you knew but I am only that because of you. You changed my life in so many ways and I am so thankful for all the beautiful memories that we had together. I will always miss you more than I can ever explain but I know you will always be with me. I love you so much and all I hope is that I can continue to make you proud.

“ Bunny, there are not enough spaces for me to express how special you are to me. Growing up and spending every weekend with you is truly something I am forever grateful for. You stood by me through everything and because of you I know how to be a strong independent woman. You took me to see Bill for the first time, never missed a grandparents day, would watch the 10th kingdom with us over and over, and would always answer whenever I called. You are simply the best and I hope that I am able to continue to make you proud. I love you so much and I know that you will always be with me
