“ I am deeply saddened that the world has lost such a good-hearted person who would help anyone. I remember once he got out of his running car downtown to assist a blind man walking down the street and headed for an open construction hole. I pray for Pete to have a peaceful, painless rest in Heaven surrounded by MomMom, PopPop, Diane and my father, Bob, and all those we know who went before him. To Agnes, Teresa and Michael, please know I am thinking of you and the pain you are experiencing. I hope that in time you will be able to remember him with fondness and smile instead of the crushing grief I know you feel now. Look for him in the faces and mannerisms of your children. He will make some appearances there to remind you of where you came. I remember fondly picking up his first car, Uncle Pete digging out the basement and so many other memories from my childhood on Andre Street. God Bless You, Uncle Pete. With love, Andrea
