

Ralph Eugene Woodall

December 15, 1951 - August 24, 2024

Ralph Eugene Woodall, born December 15, 1951, passed away at the age of 72, on August 24, 2024. He was a resident of Baltimore City and proud of the home and life he created during his marriage with Irene Woodall-Hussain.

Ralph had many talents and hobbies and was a collector of many things. He enjoyed grilling, playing poker, collecting antiques and being “Mr. Fix It.” He taught many of us how to use tools, work with our hands and put things together-even if we had extra pieces left over! He liked Budweiser beer, Marlboro cigarettes, cheesesteaks from the local sub shop and his Sunday breakfasts with his best friend, Rick Carroll. In his later years, he enjoyed time with his dog, Knucklehead, and drinking coffee while watching old westerns. Ralph had a unique sense of humor and had most of us believing outlandish stories, at least for a little while! He enjoyed agitating and teasing people and giving them nicknames just for laughs.

Ralph was predeceased by his son, Ralph Woodall Jr. (Little Ralph), parents, Burley and Dorothy Woodall and siblings, Dinky Woodall, Kenneth Woodall, Peggy Watson, and Rodney Woodall and is survived by his sister Lisa Woodall and brother Matthew Woodall.

Ralph was a loving father and Pop. He leaves behind his children, Beth Hill, Mary Woodall, Dustin Woodall, and Kristin Woodall, as well as his grandchildren, Connor and Avery Hill, Lily and Joseph Langenfelder and Makayla Woodall. He was also a cherished uncle to his many nieces and nephews.

Ralph will be laid to rest at Cedar Hill Cemetery, following a private graveside tribute. In lieu of flowers, family requests that you please consider a donation to Kennedy Krieger Institute www.kennedykrieger.org or perform a random act of kindness (give someone in need a meal or cup of coffee, donate shoes or a coat to your local church or shelter or help a stray animal.)

We thank everyone for their condolences and kind words during this difficult time.

“ My pop loved me with his heart and he showed that by being there for me. He told me stories on how he was the tough guy and it always made me laugh. He was a great pop and he will always have a special place In my heart. I'm glad he is not in anymore pain and he can rest peacefully in heaven.

“ My dad had nicknames for most of us. Sometimes they made sense and other times they were just random. I was Sparky- i don't even know how or when it started, but I'm going to miss hearing that 💙 and he proclaimed he was King Ralph because of how spoiled he was 🙌
