“ *My sweet uncle... Thank you for loving my brother, mother and me like no other! You were truly 1 of a kind! You would spend hours playing dress up and letting me \"fix\" your hair, letting us run all over the house, to teaching us how to drive a riding mower. You were a good, smart, caring man and even though distance has kept us apart you have and will always hold a very special place in my heart! Love always your niece, Julia Marie Walker (Ramrattan)*
