“ My honey, my baby, my rock.. You loved me unconditionally as I did you. I will carry you with me for the rest of my life.. you were my whole heart and soul and no one will ever love me like you ❤️. No one knows our true story but us.. I don't know how I will go on without you but I will try and make you proud everyday.. your battle was hard and I was there every step of the way and you fought the good fight.. I will always be your boo forever and always.. I love you whole whole bunches.. and I will miss you forever.. my heart is broken but you are finally at peace 🕊️ I love you always and forever RIP my love

“ I found this and it made me sad no one has shared a memory of you. The thing I can say is no matter how long it was that I did not see you the moment you were back it was like I just saw you yesterday. I appreciate everything you ever did for me and know you will be missed! I hope that you are at peace! love you Uncle Randy
