

Ray Lawrence Aleshire Jr.

February 10, 1970 - March 4, 2025

Ray Lawrence Aleshire, Jr. ("Larry") passed away at an undetermined time, leaving behind a family who loved him deeply. Larry was preceded in death by his mother, Alice Faye Landis; his sister, Linda Lopez; his brother-in-law, Victor Lease; and his brother, Chuck Hirsh.

He is survived by his father, Ray Aleshire, Sr., and his siblings: Raetta Perla, Donna Mattingly (George), Valerie Lease (Chris), Paula Roll (Mike), Christina Broyles (Mike), and Mike Hirsch (Sharon).

Larry's greatest joy in life was his son, Cody Lemmon, whom he cherished and loved spending time with every chance he could. He is also survived by, Derrick Ullery. Though Larry never had the opportunity to meet his granddaughter, Raylynn Noelle-Dawn Lemmon-Aleshire, due to his disappearance two years ago, there is no doubt he would have adored her and showered her with love.

Larry is also survived by his beloved nieces: Alicia Lopez (Adrian), Cierra Kline (Cody), Jensen Lease, and Samantha Perla; and his nephews: Hetzel Pifer (Gina), Daniel "Jay" Mishow, Jeremy Lease, Colby Wilt, Aaron Wilt, Darrick Dunn (Shanise), Christopher Perla, and Kenny Wilson. Additionally, he is survived by many great-nieces and great-nephews who will carry on his memory.

Larry had a deep love for fishing and being outdoors, where he found peace and joy. Whether casting a line at his favorite fishing spot or simply enjoying nature, he felt most at home surrounded by the beauty of the world.

He will be remembered for his love for his family, his kindness, and the memories he created with those who knew him.

Larry will be cremated, and a celebration of life will be determined at a later date.

So, in Larry's favorite saying, "Bet"—we will see each other again.

Tribute Wall

MR

“ I spent many times with Larry in 'after hours' at DSS with co-worker, Vickie. Larry was a colorful man and I enjoyed his wonderful stories of fishing the N Branch of Potomac River. I am glad that you were finally found! May you RIP, my friend!
