“ *I recall numerous conversations relayed to me by David about the crazy antics that he and his brother Raymond took part in over the years, many of the frolics taking place in Point Pleasant, NJ. May Raymond rest in peace eternally, and may Dave take comfort in the many memories that the two of them made throughout the years.*

“ *Uncle Ray always had a smile on his face and would always help you out if you were in need. He was a builder, an electrician, a plumber, and a mechanic (cars/boats). Some times it worked. He had a lot of knowledge and was willing to share. He was exciting when we were growing up; building go-carts, boxing, boating and fast cars. He loved living on the edge and experienced life like no other. I love him and will miss him and hope he finds peace when joining his parents, two brothers, and sister. It is indeed true, everybody loved Raymond. Elaine George (his niece)*
