“ *I worked with Rebecca at Pinelawn. We all called her Becky. She was a nice and funny person. She always made us laugh. She was a great co-worker. She is with the Angels now making them laugh.*

“ *Becky was an amazing person and friend. We lost touch over the years after I moved. I had been trying to reconnect with her recently and was unable to. I am sorry to her family as I know you are suffering a deep loss. I am praying for you all. I am so happy to have been Becky's friend and that she was in my life. I will always remember our Rainbow days together. She was a ray of light in a hopeless period in my life and I really appreciated her for that and I loved her. She will always be in my heart.*
