

Reed Joseph Dunfee

February 24, 1970 - October 14, 2022

Reed Joseph Dunfee (age 52) peacefully passed away on October 14, 2022, surrounded by his loved ones after a brief illness.

Reed was born on February 24, 1970, to William and Rose Dunfee (both deceased) in Washington D.C.

Reed grew up in Edgewater, MD where he attended and graduated from South River High school in 1988.

After graduating, Reed served as an officer of the Maryland Department of Natural Resources for the next 16 years. After that he worked at various companies, spending the majority of his time as an arborist, climbing trees, and running ground crews for those companies.

Reed had an incredible sense of humor and a huge heart. He loved helping others and had a sweet spot for our veterans. He loved the outdoors and being on the water and loved watching Sunday night football cheering on his "beloved" Pittsburg Steelers!

Reed is survived by his sister, Kelly (Dunfee) Bailey, brother-in-law David Bailey and his beloved nephew Christopher Bailey, all of Cohasset, MA.

Reed's family wishes to gratefully thank the incredible medical team at Mercy Medical Center in Baltimore, MD as well as the compassionate team at Hospice of the Chesapeake in Pasadena, MD.

A Celebration of Life will be held for his family and friends at a future time.

In lieu of flowers, please consider a donation to a local Hospice organization.
