“ *regina was the love of my life. we were married for 58 years !!! her health had some rough times, but her inner strength made up for it! we had two great children together. our son, tom, has given me love and support to get through the past few months and our daughter has brought up two children of her own. both are a tribute to gina's upbringing. i'm 81 now and will join gina in our afterlife. its been very lonely without her. i hope i will be remembered as fondly as others remember gina. thank you gina for those years we had together you were forever a part of me amen!!!!*
