

Regina Ann Saville

June 9, 1979 - November 27, 2022

Regina Ann Saville (nee Testerman), 43, formerly of Middletown, MD passed away on Sunday, November 27th, 2022 in Greensboro, MD.

Regina, also known as Gina, was born on June 9th, 1979 in Laurel, MD. She attended school and made many friends growing up in Laurel before moving to

Frederick County, MD to live a life closer to nature. Regina was an incredibly proud mother and cherished her three children: daughter Haleigh, and sons Donnie and Brandon.

Regina loved music and nature. She enjoyed spending time outside and listening to

music. She always had her custom mixtapes on hand for any car ride or her headphones in. She was a fan of many genres of music, and especially loved

The

Cranberries. Regina was also an avid gardener, growing organic vegetables and

beautiful flowers every year in the gardens surrounding her home. Her ability to

grow the best (and the most) tomatoes every year was nothing short of miraculous.

Regina was a gypsy soul. She was creative, free-spirited, and unique; always dancing the beat of her own drummer and living life on her own terms.

Regina was preceded in death by her mother Cindy. She is survived by her three

children Haleigh, Donnie and Brandon, father Robert, brother Robert, several cousins, and many beloved nieces and nephews. Regina will also be remembered

and missed by her many close friends.

A celebration of life will be planned by her children to be held in Spring 2023.

“ I was a close friend of Regina when growing up in Laurel. It's sad when you realize once a person has gone how much they really mean to you. Love you Gina. I will always remember the good times we had. - Torrey

“ I'm just so sorry, Regina. I hope your journey was swift, sweetie...and I sincerely hope you've found the peace you couldn't find in this world. Your wonderful babies will be your legacy...and you will be forever missed by all the people who loved you. For me, I will miss sitting outback in our yards together, listening to music...watching our kids and our pets play...and talking for hours. I can still remember your giggle and wish I could hear it again. Rest In Peace, Regina...I hope you're surrounded by flowers, love, and music.
