PS

“Glen, you were always an old soul. The apple of Mommy’s eye. She taught us to love one another because Jesus Christ loved us first. I’m so glad that she did. I’m also confident that you are with the Lord this very day, this very moment, praising His Almighty name for an eternity...the name of Jesus. Yes, you are missed. Thank you for giving us the best months together before you said goodbye. I’ll see you again when I join you in Heaven one day with the Lord, singing His praises. Until then, I’m going to keep praising Him from the earthly realm in the spirit. I love you Glen. Peggy
