“ *The most Sincerest Condolences to my Springs Family with passing of our Dear cousin , Mr. Reginald Tyrone Springs (Reggie). Back in the day and when I say back in the day it was wayyy back. The reason being Reggie is 67 and I am 62. Aunt Elouise and Uncle Pop would bring the kids down south to visit the Springs and Wylie's on Peace Street here in lil ole Chester and on this particular visit my cousin Reggie was outside and he was playing with our grandma's dog 🐕 he was so amazed with the dog . Reggie did not let up off that until Mae Tate told him to leave her dog alone and it was funny. Reggie did not pay her no attention. That was many many years ago. And I never saw Reggie again. It's kind of sad in one way and it's not, because we will all have to bear that cross one of these ole days. In Jesus matchless name. Pray for our family. Love y'all*

“ My sweet uncle Reggie❤️ I have so many memories of Grandma Elouise Springs and I driving up to see you when I was a young girl. You were a sweet, loving, gentle giant. I loved to hear you laugh and call out for your mama when you saw her. You always showered me with kisses and hugs and you will forever be missed. I love you! Rest well with Lord until we meet again🥹🥹🥹🥹 your niece Nikki

“ Big Brother I will miss you so much. I remember the days of picking you up to go to Momma's house and the smile she had when you danced for her. I'm sad that you are gone but I understand. You will forever be missed. Love your little brother Jamie.

“ Dear Family, When I think of Reggie, I am reminded of his love for family, music and dancing. Oh how, he so loved music of the late Michael Jackson , Al Greene and Kirk Franklin, to name a few. I especially loved dancing with and watching him dance for hours at family gatherings. He never got tired. Reggie had dance moves I could only dream of emulating, especially the split! He was a fantastic dancer! God Bless you as you have reached your eternal reward. Move on up a little higher. We love you and you will forever be in our hearts. I can only imagine the dance you'll do when you exchange your cross for a crown. Glory to His Name! Much Love, Greta aka Suzie

“ You went away so suddenly we did not say goodbye But brothers can never be parted Precious memories never die. It broke our hearts to lose you,you did not go alone; for part of us went with you the day God called you home. You left us peaceful memories Your love is still our guide; and though we cannot see you, you are always at our side.
