“ *I always thought of Rick as a good friend from the day we first met in 9th grade. My sincerest condolences to all of his family and friends for their loss.*

“ *Rick and I were friends going back to 9th grade, and he was the best man at my wedding in 1971. We got together from time to time as adults but in recent years I had lost touch with him and was unsuccessful in getting in touch with him again. \r\n \r\n I remember him as a really fun guy, and we had quite a few laughs over some of the dumb stuff we did as teenagers. I will miss my friend.*
