“ My condolences to the family of one of my closest friends , Scott Markey. I love you and I'll miss you until we meet again my brother. Being called Fat Boy was only funny when I'd hear you say it.....nobody else could get away with it! Rest in Peace my Friend.

“ I would like to express my sympathy to Scott's mom and sister at this great time of loss. Scott was like a son to me and often stayed at my home on the weekends. He was wonderful to me. I also had the honor of having him at my home for Thanksgiving and dinner. Never ever did I think that I would never see him alive again after that day. My heart breaks for his mother and sister as he spoke of them often. The times we shared together are held dear in my heart. I pass the final hug I got from him to his mom. God bless you at this great time of loss. I would so like to be able to talk with you and share with you my grief and love for your son from one mother to another. Look to God for your strength to help you through. Love
