“ I was literally shocked when I heard you left us Rita. You put the energizer bunny to shame all these years! You definitely fought the good fight my friend. We had some good times girl. Walking around the business park trying to lose weight that never went anywhere. Talking about our furbabies. Fun times. I won't say goodbye, just see ya later. Much love friend 💜🕊

“ As young newlyweds we had great adventures, including a very memorable trip to Florida. This trip started out with a broken water pump on our vehicle, to riding in a parade and ended up with a sinking paddle boat in Lake Buena Vista in Disney World. She loved gardening, I remember when she started the perennial garden at the house in Linthicum and how she and Kelly worked on it each year. She was Godmother to my son Chris and not a holiday went by that she didn't send him a card. It has been heart wrenching to know of her cancer battle. Kelly Ann was the best daughter she could be to her. Also, thanks to Jeff and Judy for helping to make these past years as comfortable for her as they could. Good bye my dear friend and thank you for your friendship.
