“ Bob was my BNL (Brother-In-Law) and my friend. Every dorky Dad (me) needed the cool Uncle (Bobby) to make all the kids parties, or any gathering, fun. That infectious smile, that cheerful voice (I can hear him saying \"Hey Drew!\"), those 2 wonderful sons of his, that loving family, those hours together playing golf.....all those things and more will keep his Life Force alive with me. Godspeed Bobby. You left your mark on this world.
