“ pop ❤️ I've only been apart of the family for a short while but you & mary both opened your arms to me as a bonus granddaughter. & I looked at you & her the same. I am so grateful & will cherish the breakfasts we had where we just sat around & talked to each other. you loved my son so much. you always commented on how big he got & how handsome he was. he always enjoyed seeing you & you always made him smile. life isn't going to be the same without you. my son will always know who you are & that he has a wonderful pop looking down on him in heaven. as much as it hurts me & us all it's comforting to know you aren't in pain anymore. keep watching over all of us. we love & miss you so much.

“ Jeff and I will always remember the nice, sweet guy that Rob truly was. With all the illness Rob was experiencing, he never complained and was always a super nice guy. I will remember Rob as coloring neat looking pictures in the adult coloring book as well as being an avid guitar player. Rob was always nice and welcoming to Jeff and I. I know he is in the arms of God and with Harley, Coco, and all his loved ones who preceded him in transition. We will always remember Rob for the wonderful guy that he was. He surely is missed. ❤️🙏 Lori and Jeff
